- Back-End Development

EDUCATION

SECONDARY SCHOOL

STI College Lucena
2019 - 2021
Magill Memorial School Inc.
2018 - 2019
Sacred Heart College Lucena
2015 - 2018

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

Manuel S. Enverga University
2021- Present

PROFILE

I am a dedicated student with a strong interest in software development. I have some hands-on experience with various technologies, including JavaScript, React.js, React Native, Node.js, and Express. While I'm still learning and growing, I'm eager to contribute my skills and gain more experience. I'm looking for opportunities to work with experienced teams on challenging projects to further develop my abilities as a developer.

EXPERIENCE

FREELANCE

Web & Mobile Developer
2022 - Present

- Developed and deployed web and mobile applications for student clients, utilizing React.js for web development and React Native with Expo for mobile applications.
- Designed and built full-stack applications with Express.js, Socket.io, and MongoDB for real-time communication and database management.
- Integrated RESTful APIs and socket-based features for responsive, real-time apps.

FREELANCE

Computer Technician
2021 - 2023

- Repaired and upgraded laptops and desktop computers
- Reformatted, installed OS, and upgraded hardware (SSD/RAM)
- Performed password bypassing for local and Microsoft accounts
- Provided technical support for hardware and software issues
